

## Selectmen's Minutes

October 21, 2013

Selectmen: Nancy Colson, Linda Post

Present: Steven Cook, Dave Matthews

5:00 PM

### PUBLIC FORUM

Steven Cook said that he had been in a few months ago to talk to the Selectmen about signage on the public floats. He wanted to know if anything had been done? Nancy Colson said that we checked with other Harbor Masters to see what they had done in the past. They all said there were signs in the past. There is no ordinances that say what signs to post. Linda and Nancy would like the Harbor Master and chair of the Harbor Committee come to the next Selectmen's meeting to discuss putting up signs for the spring (time limits, skiff sizes, on the back side of floats).

Linda Post made a motion to have the Town Float and Ramp pulled out on November 3, 2013. Nancy Colson seconded it. All in Favor. We need to call Jeff Labrozzi and to tell him and make sure he is available. Also post a note at the Post Office, Town Office and Website to let people know that they need to remove the skiffs.

Old Business - Nancy Colson said the Insurance Person from MMA is coming to do an inspection on October 29, 2013 at 8:00 AM to make sure that we completed everything on the list.

Nancy Colson made a motion to have JR (plumber) to have the pipes drained on the Weston Road. Linda Post seconded it. All in favor.

New Business - None

Warrants and Payroll approved and signed.

Meeting adjourned at 5:15 PM
